	<p>lists and illustrates 3792 coin images (line drawings wherever needed) of ancient Indian coins of all metals except gold. Each chapter begins with a brief history of the dynasties/series with notes on the coinage. Maps have been profusely used. Eminent numismatists Pankaj Tandon, Alex Fishman and Sanjeev Kumar have contributed chapters on Paratrajās, Western Kshatrapas and Gupta Dynasty respectively. At the end there is a bibliography and index. This will become an indispensable reference book for collectors and scholars of ancient Indian coins for years to come. New copy.</p>
